A Weak Stomach

Disordered nerves make a disordered stomach; and when the stomach fails to work the whole machinery of life is turned topsy-turvy. You may doctor the stomach all you please, but if you do not quiet the nervous irritation and strengthen the tired brain-cells it will do no good. The best remedy in the world for disordered nerves and a weakened stomach is **DR. MILES' NERVINE**.

"I was nervous, restless, could not sleep, had neuralgia and other ailments affecting my stomach, and when I tried to eat I suffered great distress. I grew thin and wasted, and had about given up in despair, when my daughter told me about Dr. Miles' Nervine. I felt better after a few doses, and was soon able to eat anything I wanted. It restored my health completely."

SILAS G. HICKOK, Healdsburg, Calif.

Is a nerve-tonic and brain-food without an equal anywhere; and it cures where everything else has failed. Try it.

Collier was held in \$500 to await further proceedings. The arrests were made by Precinct Detectives McDonald and Brennan.

SCORPIO AT BIG ODDS

Won Race at Benning Close to the Record.

COLLEGE ATHLETES BUY A BOAT HOUSE

Dr. Harban Continues His Great Playing in the South.

CURRENT SPORTING NEWS

Two favorites, a second choice, two third choices and an outsider finished in front at the Benning track yesterday, the fifth day of the spring meeting of the Washington Jockey Club, and the attendance was again very large. Scorpio, the 25 to 1 outsider, not only captured the fifth race, at seven furlongs, but ran it in 1:29 2-5, coming within two-fifths of the track record for the distance. The main event, the Delaware Stakes, was won by the favorite, Niente, who was badly defeated on the opening day, made a show of his field yesterday in the second race, getting off first and romping home in front of Laracor, Alum Water third. C. Rosenfeld was the other starter.

The Racing.
An outsider—Prosit—at 40 to 1, came within a very few inches of landing the first race, getting off last and coming so fast in the last sixteenth that some thought he had beaten Elton, while many believed he had beaten a dead heat of it. The judge, however, gave Elton first place, Scurry, the 9 to 5 favorite, being third.

Robert Waddell, the 11 to 10 favorite, took the third race in rather easy fashion. Moor, the 5 to 2 second choice, being second, and Presgrove third.

The fourth went to Athelia, the 4 to 1 third choice, Miracle 11 second and the 6 to 5 favorite, Scurry, being third.

The outsider, Scorpio, captured the fifth, the 11 to 10 favorite, Antimosity, being second and Cursey third.

Charley Moore, the 9 to 5 second choice, placed the sixth to his credit, beating Charwind, the 8 to 5 favorite, easily; Matt Simpson, third. The latter bumped into Big Gun at the post and hurt R. Burns' leg.

Kid Cox, who broke down Monday, was removed to a veterinary hospital, but will probably die, the horse having been stricken with paralysis.

Hunters' Steeplechase.
The following are the entries in the Hunters' steeplechase, to be run next Saturday: Deep Run Hunt Club, Monterio and Captain Conover; Genesee Valley Hunt, King Oiaf and Quicksilver; Radnor Hunt, Hacklet; Patapsco Hunt Club, Silver Fox; Rose Tree Hunt, in the Push; Mr. Hitchcock's hounds, Last Cord; Warrenton Hunt, Russell; Chevy Chase Hunt, Joe Letter; Piedmont Hunt, Eophonoe and Sackett; Meadowbrook Hunt, Sea Protection; Elkridge Fox Hunting Club, Emory.

Summary.
Summary of yesterday's racing:
First race, handicap, five furlongs—Elton, 107 (T. Walsh), 4 to 1, won; Prosit, 98 (Brennen), 50 to 1 and 20 to 1, second; Scurry, 108 (T. Burns), 8 to 5, third. Time, 1:43.

Second race, two-year-olds, four and a half furlongs—Delaware Stakes—Niente, 6 to 5, won; Laracor, 104 (Landrum), 6 to 1 and even, second; Alum Water, 104 (Wonderly), 8 to 1, third. Time, 55.25.

Third race, six furlongs—Robert Waddell, 53 (Wonderly), 11 to 10, won; Moor, 93 (Lyne), 5 to 2 and 5 to 2, second; Presgrove, 97 (Black), 9 to 1, third. Time, 1:16 1-5.

Fourth race, maiden two-year-olds; half mile—Athelia, 109 (Wonderly), 12 to 1, won; Miracle 11, 100 (Wonderly), 13 to 1, second; Scurry, 112 (T. Walsh), 6 to 5, third. Time, 51.15.

Fifth race, selling; seven furlongs—Scorpio, 97 (Dart), 25 to 1, won; Antimosity, 92 (Wilkinson), 11 to 10 and 2 to 1, second; Cursey, 87 (G. Thompson), 8 to 1, third. Time, 1:29 2-5.

Sixth race, one and one-sixteenth miles—Charley Moore, 19 (Vandure), 9 to 1, won; Charwind, 111 (T. Burns), 8 to 5 and 3 to 5, second; Matt Simpson, 116 (Miles), 5 to 1, third. Time, 1:52 2-5.

OWNED BY GEORGETOWN.

University Will Occupy the C. A. C. Boat House.
The Georgetown University Athletic Association has become the owner of the Columbia Athletic Club boat house and its contents, at the foot of 32d street. This is a notable event in local boating circles, for it marks the disappearance of a long familiar figure in the aquatic world and the entrance of a competitor that promises to become formidable, judging from the creditable showing at Poughkeepsie last year.

By the terms of the deal the personal property of the members of the club, stored in the boat house, is reserved, and Captain Elmore has forwarded notices to all of the members of the club, asking them to have their belongings by April 6, when the place will formally be turned over to the "varsity" oarsmen. The eight to represent the university at the regatta on the Hudson has commenced training in the shell, the indoor work having been practically suspended.

STUBBEN SHOT STRAIGHT.

Washingtonian a Winner at Interstate Park Shoot.
One hundred and ninety-nine men faced the traps in the Nitro Powder Handicap at Interstate Park yesterday. The conditions were sixteen birds; \$10 entrance; handicap, 25 to 35 yards. High guns, no class shooting.

In Phil Stubbener Washington had a representative in the group of thirty-one men who killed all their birds and received \$64.20 each as a share of the money. Uncle Billy Wagner killed 14 and Ralph Nutting 11. All three men shot from the 27-yard mark.

Those who killed straight besides Stubbener were: J. R. Elliott (23), C. E. Mink (27), "Teal" (28), Dr. E. Duncan (29), R. R. Trimble (28), A. H. Fox (30), J. W. Budd (27), A. B. Dover (27), "Bird" (27), E. S. Johnson (28), G. D. B. Darby (28), A. D. Sperry (27), H. D. Bates (31), George Roll (20), J. L. Alabaster (27), "Herbert" (28), W. R. Crosby (32), "Fred" Gilbert (32), G. C. Hirschy (28), J. Von Lengerke (27), E. Emmons (27), L. Howard (27), D. B. Foster (28), Colonel Martin (28), C. W. Von Derburg (27), J. S. Fanning (31), G. W. Hickey (28), W. F. Parker (27).

The weather conditions were more favorable to the shooters than on the opening day, as the light was more subdued and the birds were nearer to the traps. The birds were equally as good as those trapped yesterday, but Thomas Murphy, who selected the pigeons, said that those picked out for the Grand American Handicap, which began at 9 o'clock this morning, will be the swiftest flyers that ever flew from the traps at Interstate Park.

Six additional entries were received yesterday for the big event, making in all 215. Manager Shanon says he will do his utmost to have the contest finished by sundown tomorrow evening.

GOLF IN THE RAIN.

Dr. Harban Continues in Good Form at Pinchard.
Wretched wet weather came in yesterday with the second day of the Pinchard, N. C., Golf Club's tournament, and miniature ponds formed on the putting greens. It rained so hard that the ladies' handicap was postponed until today, as were also the driving and approaching competitions.

The men played, however, and despite wet conditions some good scores were made, although it was all match play. The 18-hole of the Royal Dixie Club, Montreal, went out in 37, which equals Professional Alcock's score.

FAMILY SHOE STORE,

310 and 312 Seventh Street.

Ross' score last Saturday. One curious thing happened—the negro boys absolutely refused to caddle in the rain, money being no temptation to the little darlings. The rest of the moving round, the scores, were: Dr. Harban, Columbia Golf Club, Washington, beat R. L. Titus, Florida East Coast Club, 3 up and 2 to play; W. L. Malby, Montreal, beat R. L. Titus, Florida East Coast Club, 2 up; Howard Brittin, Pinehurst, beat J. W. McKinley, Columbia, 2 up; A. J. Wellington, of Oakley beat George Mosher, Troy, 2 up and 2 to play; Merrill Waters, Lakewood, beat Henry Haynie, Newton Center, 1 up; G. P. Dodge, Ardsley, beat C. E. Hall, Philadelphia, beat Guy Wellman, New Haven, 2 up; George Dutton, of Oakley beat B. L. Taylor, Watertown, N. Y., 4 up and 3 to play.

In the afternoon, playing for the United North and South Championship Cup, 18 holes, Harban beat Malby, 3 up and 2 to play. The Wellington beat Brittin, 2 up and 2 to play; Waters beat Dodge, 4 up and 2 to play; Dutton beat Wardwell 5 up and 4 to play.

During the same time Rumbough beat Titus 3 up and 2 to play; McKinley beat Mosher by default; Halstead beat Haynie 1 up, and Taylor beat Wellman by default. All the consolation cup, the consolation finals and finals for both cups will be played today.

Last night Dr. Harban, whose 169 at scratch was both best net and best gross score in handicap, selected to take the net prize. This gave George Dutton of Oakley, also scratch, 173, prize for best gross, and shut out three other players who had made each 173 net. There was no dissatisfaction, although some of the players think that Harban ought to have chosen best gross prize.

Dr. Harban's splendid golf playing in the South has created a great deal of enthusiasm in this city, especially in the Columbia Golf Club, of which he is a member. As a fitting recognition of the victories achieved by the doctor, the club has arranged to have a dinner and a golf tournament on Monday, the 8th inst., at the hotel at which he is stopping. It is expected that fully two hundred guests will be on hand to give Dr. Harban a hearty welcome on his return to Washington.

GAME AND FISH PROTECTION.

Reorganization of Association to Be Considered Tonight.

Great interest has been manifested in the plan to reorganize the Game and Fish Protective Association of the District of Columbia, the scheme of which was fully outlined in the Standard of Monday last, and a meeting will be held at the Elkhart House in the red parlor at 8:30 o'clock tonight to consider it. A very large attendance is expected, and final action will probably be reached. Officers to serve during the current year will also be elected.

LAJOIE BILL AMENDED.

Second Reading of the Legal Battle in Philadelphia.

John I. Rogers and John G. Johnson, counsel for the Philadelphia National League Base Ball Club, filed yesterday in that city amendments to the bills in equity in the suits recently brought against Pitchers Bender and Fraser and Second Baseman Lajoie, to restrain them from playing with Mack's American League club.

A demurrer was filed by the American club claiming that the contracts signed by the players were not binding, as they were not signed by two managers of the Philadelphia National League, as the law relating to limited copartnership requires when a liability greater than \$500 is created.

The amendments filed yesterday state that the contracts named in the bills were executed by the secretary, who was also a manager, upon the express direction of the three managers. The bills and amendments upon such execution were approved by two of the managers by written instrument.

Regarding the renewal clause, which the club officials claim holds the players for another year, an amendment is made to the bills, which will read that the players were written and served by the express direction of the three managers.

The third amendment states that indorsed on the bills are the words "With-in contract approved."

Comiskey After Heidrick's Seal.
Charles Comiskey, manager of the Chicago American League club, will prevent John Heidrick from playing with St. Louis if the courts will listen to his complaint. Attorneys will in a few days begin legal proceedings in St. Louis against the player who Comiskey says jumped his contract.

Heidrick will head the list with her mutes of every class and occupation. Heroes of the revolution, of the wars of 1812 and 1861 and of the Spanish war, soldiers, sailors, scouts, Indians, cadets, colonial dames and citizens of 1901 will mingle with the nobility and peasantry of every nation. These people of all lands, as well as the people in all periods in the progress of this country. In short, it is desired to make it a great educational and object lesson, showing the great variety of the costumes of mankind. A number of curious foreign costumes have been secured of historic value and the people of the American League greatly appreciate the aid of those who have generously assisted in securing these valuable attractions.

Baltimore this week, while Hanlon is confident Sheekard will not desert the champions. Despite denials to the contrary, Pitcher Roger Denzer, the first man to sign with Charles Comiskey's Chicago American League club for the coming season, has apparently forfeited his contract and gone with New York. Denzer passed through Chicago Monday on his way to New York. He avoided Comiskey, but President Johnson discovered that he had cashed a check sent by Andrew Freedman for advance money.

"I look to see Boston leading at the close of the year, with Philadelphia and Chicago well up, but it would not surprise me to see either Washington or Detroit crowding one or two of us out, for both have splendid teams, and I like their chances. The others may fool us, however," says Manager Collier of the Bostonians.

Base ball politics will soon give way to reports of the games and scores. The reader will find a pleasing change in scanning the percentage tables after the long slog of war and bickering which he has endured for the past five months. The trying season of base ball is when the game has been playing for several years.

The Chicago National League club adopted a new policy in signing its players this year. In order that the men should have no cause for complaint, they were asked to name the amounts they would play for, and were engaged at their own prices. Let a diamond against a piece of salt said 50 per cent of them will be "kicking" before the Fourth of July because they didn't set their figures higher.

The Cincinnati club's new twirler, McFadden, was formerly captain of the Villanova team. "Dick" Harley coached the collegians for several years up to this spring, when he resigned in favor of Frank Donahue. Both professionals speak in glowing terms of McFadden's ability, and expect to see him "make good" under McPhie. Tom Donahue, "Red" young brother, who was out in St. Louis in the middle nineties, is attending school at Villanova, and has been elected McFadden's successor as captain.

Pole Vaulting Contest.

At the Central Y. M. C. A. gymnasium, Baltimore, Saturday night the pole-vaulting contest was decided, which could not be concluded at the Baltimore Athletic Club's games of February 16. C. P. Ravenswood of the Washington Y. M. C. A. won, with an actual vault of eight feet ten inches. His handicap was eighteen inches.

Jockeys and Horses Reinstated.

A meeting of the stewards of the Jockey Club was held in New York yesterday afternoon. The horses Jim Blackburn, Earn and Cady, were reinstated for steeplechases and hurdle races.

Jockeys H. B. Manlove and Richard W. Thos, Crisler, Rozler Brown, Richard W. Baker, W. W. Hutchinson and Arthur D. Worley were reinstated.

Licenses were granted to the following: Arthur Booker, James Boland, W. H. Blake, T. Burns, John C. Fitzgerald, Samuel Henson, Frank Kelly, Orin H. Kennedy, Lucian A. Lyne, John Lamey, N. Leand, J. C. McNeill, Thomas A. McDonald, P. A. McCue, Frank Miller, Vincent Moore, H. J. O'Laughlin, John G. Patton, Frank Rutter, Joseph Richards, Maxwell Smith, J. C. Smith, J. C. Smith, Charles Van Dusen, R. Williams, Harry Wilson, Otto Wonderly, T. Walsh, William Dale, Charles Gargan.

The Review of Nations.

The members of the Legion of Loyal Women are progressing finely in their preparations for the review of nations, to be given under their direction next week at Masonic Temple, 9th and F streets. The managers are delighted at the interest and enterprise everywhere displayed and with the number who will take part in the review. The earnestness with which the people are entering into the spirit of the affair is especially commendable. The historical accuracy as well as brilliancy of many of these universally instructive representations will serve to increase the spectacular beauty of the occasion.

Among the many groups America, of course, will head the list, with her mutes of every class and occupation. Heroes of the revolution, of the wars of 1812 and 1861 and of the Spanish war, soldiers, sailors, scouts, Indians, cadets, colonial dames and citizens of 1901 will mingle with the nobility and peasantry of every nation. These people of all lands, as well as the people in all periods in the progress of this country. In short, it is desired to make it a great educational and object lesson, showing the great variety of the costumes of mankind. A number of curious foreign costumes have been secured of historic value and the people of the American League greatly appreciate the aid of those who have generously assisted in securing these valuable attractions.
